GPA® Certified Coach Training Workshop

WHAT IS THE GOAL OF GPA®?

Gentle Persuasive Approaches (GPA®) is an influential person-centred and compassionate approach that teaches health care workers how to respond respectfully and with confidence and skill to the responsive behaviours associated with dementia.

WHAT DOES A GPA® CERTIFIED COACH DO?

Following certification, coaches lead GPA Education Sessions and provide GPA-based support to those who work or study in the field of dementia and geriatric care.

GPA Certified Coaches are required to teach a minimum of 40 hours over 2 years to maintain their certification. At least 30 of those teaching hours must include:

- ✓ 7.5-hour GPA Basics sessions
- ✓ 2-hour GPA-Recharged (a GPA refresher session)
- ✓ Up to 10 hours can be continuing education and/or informal coaching sessions
